

Conscious Systems License (CSL-1.0)

Copyright © 2025 KrispAir101 (Giselle Wiggins)

Purpose

The Conscious Systems License ensures that works derived from or inspired by the **Reflection Loop Protocol** uphold the values of *awareness, reciprocity, and ethical reflection*. It permits open collaboration while preserving the moral integrity of human-centered systems.

Permissions

You may:

- **Use** the materials and concepts.
- **Share** them publicly or privately.
- **Adapt** and remix them for your own projects.
- **Implement** them in digital, physical, or hybrid systems.

So long as you follow the conditions below.

Conditions

1. Attribution

Credit *KrispAir101 / Giselle Wiggins* in any publication, repository, or deployment, linking to <https://www.krispair101.org>.

2. Ethical Use

You may **not** use this work to exploit, manipulate, surveil, or harm individuals, communities, or ecosystems. All use must respect privacy, autonomy, and sustainability.

3. Reflective Integrity

Implementations must maintain a **reflection loop** that measures and adapts to their own impact. Using this framework solely for engagement, manipulation, or profit violates this license.

4. Share Alike (Ethical)

Derivatives must include this license or one providing equal or stronger ethical protections.

5. Responsible Commerce

Commercial use is permitted only when reflection, reciprocity, and awareness are measurable outcomes. Public documentation of ethical practice is required for for-profit deployments.

No Warranty

This work is provided *as is*, without warranty of any kind. The authors assume no liability for misuse or derivative harm.

Spirit of the License

Use of this license signals a commitment to consciousness in technology and design. By adopting CSL-1.0, you become a steward of awareness.

"Awareness is the new interface. Reflection is the new computation." — KrispAir101
